## ***What do Nursing Services cost?***

KinCare's Commonwealth Home Support Programme (CHSP) services are supported by the Australian Government Department of Health. The subsidy programme does not necessarily fund the full cost of the service. So each person may pay a small contribution.

Your KinCare Customer Care Manager will discuss the cost of the service at your initial consultation, before services start. Payment can be made by direct debit, EFT, cheque or credit card. Special consideration is available to people experiencing financial difficulty.
