CHSP Made Simple

kincare.com.au

Helping you live the life you want

If you want to stay in your own home, but would benefit from a little extra support with cleaning and preparing meals, gardening, showering, or with transport to attend appointments or go shopping, the Commonwealth Home Support Programme (CHSP) may be for you.

An experienced assessor will help you to identify the services you may initially benefit from. You will also be reassessed as your needs change over time.

Here are just a few of the services available under CHSP:

- Personal Care
- Domestic Assistance
- Meal Preparation
- Social Support
- Flexible Respite

With more than 30 years of experience helping people live at home independently, we know how important that is. So the better we know your preferences and priorities – the better we can support you.

Plus we'll share valuable advice to guide you through the My Aged Care process, every step of the way. Simply call us on 1300 733 510.

What do CHSP services cost?

KinCare's Commonwealth Home Support Programme (CHSP) services are supported by the Australian Government Department of Health. The subsidy programme does not necessarily fund the full cost of the service. So each person may pay a small contribution.

Your KinCare Customer Care Manager will discuss the cost of the service at your initial consultation, before services start. Payment can be made by direct debit, EFT, cheque or credit card. Special consideration is available to people experiencing financial difficulty.

How to arrange a CHSP service

Follow the three simple steps below. Once you're assessed as eligible, we'll match our services to suit your needs.

1. Visit the My Aged Care website or call the information line on 1800 200 422.
2. Once assessed, choose to be with KinCare as a provider.
3. Call our KinCare team on 1300 733 510 to find out more.
