Helping you live your life

A Home Care Package is one form of aged care funding provided by the Australian Government to help older people at home.

Home Care Package services can often be overwhelming and what's right for one person might not be right for you. Our expert local team can help you get more out of your Home Care Package and will support you in selecting the right services to suit your needs.

A Home Care Package with KinCare brings you more flexibility, more service options, 24 hours a day support, 7 days a week and an individual budget to spend on the services and supports you want, providing you with better value.

You can make your own selection from our vast menu of services with the support of our knowledgeable team.

*We will work with you to create
Home Care Package services to
meet your unique needs.*

What are the differences in Home Care Packages?

There are *four levels* of Home Care Packages assigned by the government and they're designed to give you the care you need now, but can also be changed if your needs increase later.

HCP Level 1

Helps people with *basic care* needs.

HCP Level 2

Helps people with *low level care* needs.

HCP Level 3

Helps people with *intermediate care* needs.

HCP Level 4

Helps people with *high care* needs.

A Home Care Package with KinCare allows you to experience many KinCare services, all of them available in the comfort of your own home.

*Contact us on **1300 733 510** to discuss how we can create the right package for you.*
